ABOUT US

It all started with an ambitious dream, 30 years ago; when Mr. Ben Hariz has tried something new. Driven by his love of the refined art of decoration, the concept of FOOD DECORATION blossomed to become
a leading company in the world and it is still growing.

Based in Tunisia, FOOD DECORATION, is an Italian Tunisian house, specialized in manufacturing azyme flowers with pastry filling, its production is based on a traditional know-how which has industrialized and developed over the years.

Thanks to its hard work and dedication, FOOD DECORATION won the confidence of its customers and acquired honourable certifications such as ISO 22000 certification in 2012, and expanded to open a new factory in February 2018.
FOOD DECORATION watches over the quality of its product, by adding stricter hygiene policies and by raising the awareness of its staff to food safety because it is meticulously manufactured by hand.

Thank you for giving us the opportunity to be part of your special occasions and to put our final touch to make your cakes, pastries, weddings or birthdays a unique pleasure.

Over the years, we have been inspired to vary the range of products, and to personalise our creations to satisfy our customers' needs and tastes.

We now let you discover our creation through the years.

Thank you for trusting us to be the icing on the cake.

À PROPOS DE NOUS

Tout a commencé avec un rêve ambitieux, il y a 30 ans, lorsque Mr. Ben Hariz a franchi le cap pour essayer quelque chose de nouveau. Poussé par l'amour de la création et fasciné par l'art raffiné de la décoration, le concept de FOOD DECORATION s'est épanoui pour devenir parmi les entreprises leader dans son domaine.

Basée en Tunisie, FOOD DECORATION, est une maison Tuniso-italienne, spécialisée dans la fabrication des fleurs en azyme destinées à la garniture de la pâtisserie, sa production s'appuie sur un savoir-faire artisanal qui, au fil des années s'est développé et industrialisée.

Ce n'est pas un hasard si nos clients nous ont fait confiance, c'est avec beaucoup de travail et de dévouement que nous avons atteint ce niveau :
Nous avons obtenu la certification ISO 22000 en Aout 2012, et nous venons d'inaugurer notre nouvelle usine en Février 2018.

Pour honorer ce lien spécial avec nos clients au fil des années, nous avons été inspirés pour varier la gamme des produits, et nous avons trouvé le plaisir de personnaliser les créations afin de satisfaire nos clients.

FOOD DECORATION veille sur la qualité de son produit, en ajoutant des politiques d'hygiène en conformité avec les normes internationales et en sensibilisant son personnel à la sécurité alimentaire car il est fabriqué méticuleusement à la main.

Nous sommes honorés de faire partie de vos occasions spéciales et nous nous assurons que notre ajout à vos gâteaux, pâtisseries, mariages ou anniversaires soit unique.

Merci de nous faire confiance pour être la cerise sur le gâteau.

Since 1985

Ben Hariz

At FOOD DECORATION, we have successfully combined tradition and innovation to create unique products that enhance the art of pastry decoration. As specialists in manufacturing wafer flowers with pastry filling, we have refined a craftsmanship rooted in Italian and Tunisian traditions while integrating modern industrial advancements.

Our mission is to bring elegance and indulgence to the creations of pastry chefs and culinary decoration enthusiasts. Through continuous commitment to quality and innovation, FOOD DECORATION has become a leading reference in its field.

We sincerely thank our partners and customers for their trust and loyalty. We will continue to innovate to enrich your most beautiful creations.
